**DENVER CONNECTION WEST METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized by order of the District Court in 2016. The formation of the District was approved by the City and County of Denver, Colorado. The District was organized to provide the public improvements and the operation and maintenance of the District. The District's service area includes 115.66 acres generally to the southeast corner of Green Valley Ranch Blvd and Chambers Road.

On November 8, 2016, the District's electors authorized debt in the amount of \$140,000,000 for public improvements including street improvements, park and recreation, water, sanitation, public transportation, mosquito control, and traffic and safety control. \$60,000,000 of debt was also authorized for the purpose of refunding debt, operations and maintenance, and intergovernmental agreements. The District is authorized to increase taxes \$20,000,000 annually to pay the operations and administrative costs of the District, without limitation. Additionally, the Service Plan limits (except for a Gallagher adjustment) the District's total mill levy to 50.000 mills.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District's maximum Required Mill Levy is 55.664 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund]. As of December 31, 2024, the adjusted maximum mill levy for debt service is 47.034 mills and for the general fund mill levy is 48.156.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Revenues (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 5.00% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4%.

Administrative/Closing Fees

Debt and Leases

On March 29, 2022 the District issued its Limited Tax (Convertible to Unlimited Tax) General Obligation Refunding Loan, Series 2022A-1, in the original aggregate principal amount of \$11,350,000 (the “Series 2022 A Loan”) and its Limited Tax (Convertible to Unlimited Tax) General Obligation Improvement Loan, Series 2022 A-2 in the original aggregate principal amount of up to \$1,400,000 (the “Series 2022A-2 Loan” and together with the 2022 A-1 Loan, the 2022 Loans”). The 2022 A-2 Loan has been incurred on the date hereof in the initial amount of \$105,000 (“Initial Advance”) pursuant to the Loan Agreement.

The Series 2022 A-1 Loan was issued for the purpose of (i) refunding the 2017 Bonds; and (ii) paying the costs related to the issuance of the Series 2022 A-1 Loan. The issuance of the Series 2022 A-1 Loan reduces interest costs relating to the 2017 Bonds or effects other economies and, accordingly, the Series 2022 A-1 Loan is being issued pursuant to Part 13 of Article 1 of Title 32, C.R.S. In addition, the refunding of the 2017 Bonds with proceeds of the Series 2022 A-1 Loan constitutes a refinancing of District bonded debt at a lower interest rate and Article X, Section 20 of the Colorado Constitution provides that voter approval in advance is not required for refinancing district bonded debt at a lower interest rate.

The Series 2022 A-2 Loan was issued for the purpose of (i) financing and refinancing the costs of certain public improvements, and (ii) paying the costs related to the issuance of Series 2022 A-2 Loan.

The maximum Required Mill Levy is 40.000 mills, adjusted for changes in the ratio of actual value to assessed value of property within the District. For tax collection year 2023, the adjusted maximum mill levy is 47.034.
